## School pride!

For a small school, Cohuna Secondary College punches above its weight! We are a proud school in the local community who deliver the best outcomes for our young people using the most up to date teaching and pedagogical practice.

- We pride ourselves on the strong relationships we build with our young people.
- We pride ourselves on supporting our young people to navigate through adolescence.
- We pride ourselves on our academic knowledge and our skills to prepare them for their educational journey throughout secondary school.
- We pride ourselves on preparing our young people for life beyond school, whether that be university, TAFE or work.

We love the fact that our young people keep in touch with us after they complete their schooling and speak highly of the support, education, staff and opportunities that they received at Cohuna Secondary College. As a leader, I am very proud of the hard working and committed staff who go above and beyond to ensure our young people have all the skills they need to succeed.

We have had some exciting news over the school holidays. On behalf of all of us here at the college, I would like to congratulate Mr Brad and Mrs Rachel Murray on their recent marriage. I would also like to congratulate Mr Mason and Mrs Jorja Fehring on their recent marriage. We wish them all a lifetime of love and happiness.

*Excellamus - Let Us Excel! Mrs. Fiona Miller - Principal*

"I would like to acknowledge the traditional custodians of the land on which we live and our school is built, the Barapa Barapa people. We pay our respects to elders past, present and emerging, for they hold the memories, traditions and the culture of the Aboriginal and Torres Strait Islander peoples of Australia. Cohuna Secondary College is committed to acknowledging, building and sustaining respect and understanding between Indigenous and non-Indigenous Australians."
