

Parent-teacher-student interviews

It was lovely to see so many parents and their student/s come into the college to meet with their teachers. We have offered families a more flexible way for our school community to access parent-teacher-student interviews and many of you have taken it up. For this I am very grateful. Such a great way to build connections with our parents and their young person.

Reminder, that Term 1 Progress Reports have been released via XUNO.

Congratulations

I'd like to give a shout out to Paige O'Connell who was named the Junior Rural Ambassador at the Cohuna Show. Paige now moves on to the regional level of the competition. We wish her every success. This is an example of exactly what we teach our young people! Go out and grab every opportunity that comes your way. You never know what opportunities will unfold as you embark on a journey.

School uniform available from the college

With the sale of Petals n Plants to a new owner, the purchase of school uniform has also changed. It is now available from the college. With the mornings getting cooler, uniforms can be purchased from the college office from the commencement of term 2. Hoodies and Kathmandu jackets are **not** part of the current school uniform. However, all black school shoes are.

We have school jackets, sports tops, windcheaters, school dresses and polo tops available. Please contact the college if you need to purchase any of these school uniform items.

GTAC

Year 12 Biology students got up very early to travel to Melbourne University where they completed their practical component for their SAC (School Assessed Coursework). They investigated the process of creating human insulin A chain. The day was not only fun, but very interactive, with our students asking and answering lots of questions and demonstrating their knowledge in a large group of other year 12 students from other schools. Students got to work with some very advanced equipment in the Melbourne University laboratory. Thank you to Mrs Angove and Leanne for getting up super early to give our students an experience in a fully functioning professional laboratory.

End of term

I'd like to wish everyone a relaxing and safe Easter break. Enjoy some special time over the break with your young person/people and those that you care about the most, and I look forward to welcoming students back to the college on Monday the 15th April.

Mrs. Fiona Miller - Principal

"I would like to acknowledge the traditional custodians of the land on which we live and our school is built, the Barapa Barapa people. We pay our respects to elders past, present and emerging, for they hold the memories, traditions and the culture of the Aboriginal and Torres Strait Islander peoples of Australia. Cohuna Secondary College is committed to acknowledging, building and sustaining respect and understanding between Indigenous and non-Indigenous Australians."

Senior School Update

Tip of the Week – Plan your holiday work

Most VCE classes will have some holiday work to complete. Our advice is to plan when you will complete this work. Work around your holiday plans. One suggestion is:

Easter – take a break over the Easter period

First week of holidays – get your work completed during this week. Meet up with a friend, and work together.

Second week of holidays – with all of your work out of the way, enjoy a good break before a busy Term 2.

VCE Continuous Reporting

A reminder to check XUNO for reports – a number of VCE reports have been published.

Term 2

Term 2 is busy for our VCE students. It includes end of unit deadlines, Year 10/11 Exams, VCE Excursions, sporting events, Debutante ball, Work experience, the GAT, and SACs in all classes.

Students are strongly advised to make sure that they complete any overdue work from Term 1 during the holiday break. Be up-to-date with your work at the beginning of Term 2.

Some of the important dates include:

- * Monday 15th April—Classes resume
- * Tuesday 23rd April—VCE Art Excursion
- * Friday May 3rd May— VCE Careers Excursion
- * Tuesday June 11th to June 14th—Year 10/11 Exams
- * Monday June 17th —Commencement Unit 2
- * Tuesday June 18th—GAT (for all students completing a Unit 3/4 subject)
- * Monday June 24th to 28th—Year 10 Work Experience
- * Friday June 28th—Last day of Term 2, Debutante ball
