MEDICATION ADMINISTRATION LOG

For students requiring medication to be administered at school

Appendix A to the Administration of Medication Policy.

- This log should be completed by the staff member administering medication to any student at the school.
- •
- Name of student:_____Year____Year

Date	Time	Name of Medication and Dose	Tick when checked ✓				Comments	Staff member	Staff member
			Correct Child	Correct Medication	Correct Dose	Correct Route		administering (print name and initial)	checking* (print name and initial)

• *Cross-checking: It is recognised that in many school settings medication is administered using a system of two staff members checking that medication is correctly administered. This is an appropriate added safety measure and is seen as good practice.
